

THE GARDNER'S PRIZE

Finished quilt with a 5" border of white measures about 82x96½". There are thirty blocks of white, 15" square. Piece A and C pieces around B as in sketch and applique in center of white block. Piece white blocks together, five across and six up and down. Cut two strips of white for

side border 5x97", and two strips for ends 5x82½". Seam to quilt mitering at corners. Bind outside edge of quilt in color.

6" quilting designs will fit block intersections. Cross quilt between designs.

Material requirements for making top of quilt are about 7 yds. of white, 2 yds. of print and 1½ yds. of green.
