

TULIP BASKET

Finished quilt measures about 82x94, and this includes the 5" border. There are 42 pieced blocks set diagonally with 30 plain white blocks 9" square.

To piece the block, sew three A pieces to one B piece (see sketch of block) making a large diamond. Sew four large diamonds together and join C piece to bottom or flat side. Join short side of one D to end of an E. Join another D and E in reverse. Sew one to each side of A and C as illustrated. Finish with F and G.

Cut a 10" square of white diagonally into fourths to make four corners for quilt (No. 1 in sketch). Eleven $9\frac{1}{2}$ " squares cut diagonally into halves make the triangles for filling in edge of quilt (No. 2 in sketch).

For the border you need two strips of white about $82\frac{1}{2} \times 5\frac{1}{4}$ ", and two strips $94\frac{1}{2} \times 5\frac{1}{4}$ ". Bind outside edge in red or green.

Quarter-inch seams have been allowed on all given pieces and measurements.

About $6\frac{1}{2}$ yds. of white, $1\frac{1}{3}$ yds red, $\frac{1}{2}$ yd. green and $1\frac{1}{2}$ yds. print are required for this quilt.
